

Data Match Service

Data Protection Statement

In order for Infinity Energy Organisation to confirm whether you are entitled to ECO Affordable Warmth funded measures, we will share your personal data with our trusted third party service provider, the Energy Saving Trust, and with the Department for Work and Pensions.

Your details will be used as follows to assess your eligibility for the service:

- Get in touch with the Department for Work and Pensions via the Energy Saving Trust to check if you may be eligible for this assistance.
- Receive information from the Department for Work and Pensions about you, this will be limited to information relating to your entitlement to assistance.
- Share your details with our service provider Energy Saving Trust so they can check if you may be eligible for this assistance and provide services to us.
- Share your details with the scheme administrator, Ofgem, so they can review the scheme.
